

Application Packet 2021

Thank you for your interest in LAMusArt Summer Camp 2021. New for summer 2021, our LAMusArt Summer Camps are a freshly redesigned version of our beloved arts programs for students ages 7-16.

Putting safety first, you will have the option of in-person or online programs where students will engage in creativity, collaboration and critical thinking to have the big fun summer they were not able to have in 2020. Our program offers extremely limited enrollment due to small size of learning pods to keep students and our staff safe and thriving.

Masking and social distance will be required for our in-person 2021 camps.

The application process is as follows:

- Complete the attached LAMusArt Summer Camp 2021 Application.
- Sign the acknowledgement on the reverse side of the LAMusArt Summer Camp 2021 Application.
- Read, initial and sign the attached Fact Sheet carefully. The Fact Sheet details all of the important information regarding the program, the registration and payment process, and disciplinary procedures. You will receive a copy of the Fact Sheet for your records while your application is processed.
- Make an initial payment. LAMusArt Summer Camp is limited to Twelve (12) students per week per age group. A space cannot be reserved until an initial payment is received.
- No refunds will be provided after Saturday, May 1, 2021
